- Choose installation option based on its nature, if it's a fresh installation proceed with 'Fresh Install' option and 'Upgrade' if you are upgrading an already existing setup.
- Let's proceed with Fresh Install option (Assuming we're installing in a fresh machine).

• Review the summary settings(by default username/password will be admin/admin and web server port will be 5050) and proceed with installation.

 Once instllation completes, VembuOnlineBackup will be auto-started to run as a service.
